To Whom It May Concern:

The Center For Martial Arts & fitness is a non-profit organization dedicated to teaching a well balanced martial arts & fitness lifestyle to students of all ages and ability levels. Over the last two years athletes from our center have taken home fourteen medals from the USA Taekwondo National Championships. In 2012, the tournament was held in Dallas, TX and last year we traveled to Chicago, IL where over 5,400 athletes came to compete. This year's National Championship will be held in San Jose, CA in July. Our athletes will be competing in events such as Forms, Board Breaking, Sparring and Weapons. The ages of the students range from six to seventeen. This is a tremendous opportunity for local athletes to compete on the biggest stage in the world. Many of our students come from low income families who cannot afford to send them on their own. The cost for students to compete, including air fare, accommodations and entry fees is \$1,500 each. In order to qualify, each student must compete in the Massachusetts State Championships and place in the top four in their division.

We are looking for support from local businesses to help offset the cost to the parents for the trip to the 2014 USA Taekwondo National Championships. Your company can help us by providing funds in the form of a grant or donation to the "CFMAF Booster Club". All donations are tax deductible and help to cover the cost of airfare, registration fees and accommodations. Please fill out the pledge sheet and return it to our office at your convenience. If you have any questions regarding the event or how you can help, please do not hesitate to contact our office at any time. You may look up more information on our athletes and also make a pledge on our web site at www.cfmaf.net.

Thank you in advance for your support. Your donations are greatly appreciated.

Sincerely,

Ken Goodrich
